COUNCIL PRESIDENT CLARKE: We have now established a quorum. I'd ask all guests and visitors to please retire behind the rail and members take their seat and we will have our invocation.

This morning the Chair recognizes Pastor Franklin Rodriguez of CDA Ministries Community Church. He is here today as the guest of Councilman Greenlee.

15

16

I would ask all guests and visitors and members to please rise.

23

PASTOR RODRIGUEZ: Council President Clarke, distinguished body, let us pray.

24

25

Father, I come before you today to ask for your blessing. The blessing

1                   10/9/14 - STATED - INVOCATION

2           is not for me. I ask for the blessing on  
3           the servants of the people, our elected  
4           officials. You know them. You know  
5           their hearts. They are the voice of our  
6           community.

7                   Father, one of the symbols that  
8           we see in this building every day is a  
9           woman, she's blindfolded, and she's  
10          holding the scales of justice. This is  
11          their task as servants, to ponder and to  
12          weigh problems and solutions in a way  
13          that is just. But what is justice? Is  
14          it the will of the many or the need of  
15          the one?

16                   Father, their task is among the  
17          most difficult to ask of any one person.  
18          I ask you to grant them wisdom, guidance,  
19          patience, clarity of thought, the power  
20          to reason. Give them an understanding  
21          heart.

22                   Father, some of them are tired,  
23          beaten down by the many battles that have  
24          already been fought, some to victory and  
25          some in defeat. Father, renew their

1           10/9/14 - STATED - APPROVAL OF JOURNAL  
2           strength. Give them the fire that burns  
3           from the knowledge of truth and justice,  
4           from right and wrong.

5                     Father, we also ask that you  
6           watch over our sons and daughters that  
7           may be in harm's way.

8                     We pray these things in the  
9           name of Jesus Christ.

10                    Amen.

11                    (Amen.)

12                    COUNCIL PRESIDENT CLARKE:

13           Thank you so much for those inspiring  
14           words. Thank you.

15                    (Council at ease.)

16                    COUNCIL PRESIDENT CLARKE:

17           Thank you very much. Thank you. The  
18           next order of business is the approval of  
19           the Journal of the meeting of Thursday,  
20           October 2nd, 2014.

21                    Folks, can I have a little  
22           quiet, please. Thank you.

23                    The Chair recognizes Councilman  
24           Greenlee.

25                    COUNCILMAN GREENLEE: Thank

1                   10/9/14 - STATED - LEAVES

2           you, Mr. President. I move that the  
3           Journal of the meeting of Thursday,  
4           October 2nd, 2014 be approved.

5                   (Duly seconded.)

6                   COUNCIL PRESIDENT CLARKE: It  
7           has been moved and properly seconded that  
8           the Journal of the meeting of Thursday,  
9           October 2nd, 2014 stand approved.

10                  All those in favor say aye.

11                  (Aye.)

12                  COUNCIL PRESIDENT CLARKE:  
13       Those opposed?

14                  (No response.)

15                  COUNCIL PRESIDENT CLARKE: The  
16       ayes it and the Journal is approved.

17                  The next order of business is  
18       requests for leaves of absence, and the  
19       Chair recognizes Councilman Jones.

20                  COUNCILMAN JONES: Thank you,  
21       Mr. President. On behalf of the  
22       majority, two leaves of request for  
23       absence have been submitted, one by  
24       Councilmember Marian Tasco and the other  
25       by Councilmember Kenyatta Johnson.

1                   10/9/14 - STATED - PRESENTATIONS

2                   COUNCIL PRESIDENT CLARKE:

3                   Thank you. Leave shall be granted.

4                   Thank you, Councilman.

5                   The Chair recognizes Councilman

6                   O'Neill.

7                   COUNCILMAN O'NEILL: Thank you,

8                   Mr. President. On behalf of the

9                   republicans, there are no requests for  
10                  leave of absence.

11                  COUNCIL PRESIDENT CLARKE: The  
12                  Chair thanks the gentleman.

13                  At this time, I would like to  
14                  dispense with the regular order of  
15                  business and I would like to welcome and  
16                  thank everyone who has come down today to  
17                  witness their government in action. We  
18                  hope that your stay here today is a  
19                  pleasurable one, so much so that you come  
20                  back again. Again, thank you so much for  
21                  being here.

22                  At this time, the Chair  
23                  recognizes Councilwoman Brown, who will  
24                  present a resolution honoring the Moorish  
25                  Science Temple of America. Would the

2           Grand Sheik and Divine Minister Azeem  
3           Hopkins-Bey and those accompanying him  
4           please join the Councilwoman at the  
5           podium.

6                   COUNCILWOMAN BROWN: To  
7           colleagues and guests, Mr. President, it  
8           gives me great pleasure to present this  
9           resolution on behalf of our colleague  
10          Councilwoman Marian Tasco wherein we will  
11          be honoring the Moorish Science Temple of  
12          America on its 100th Anniversary.

13                   Whereas, the Moorish Science  
14          Temple of America was founded in 1913  
15          A.D. by Prophet Noble Drew Ali for the  
16          expressed purpose of uplifting fallen  
17          humanity, teaching their members their  
18          Nationality and Divine Creed; and

19                   Whereas, on July 20th, 1928,  
20          the Moorish Science Temple of America was  
21          established as the first Islamic  
22          religious organization to appoint and  
23          consecrate missionaries to propagate the  
24          faith of Muhammad in America, thus  
25          establishing the Islamic faith in

1           10/9/14 - STATED - PRESENTATIONS

2           America; and

3                       Whereas, the object of the  
4           Moorish Science Temple of America is to  
5           help in the great program of teaching  
6           those things necessary to make their  
7           members better citizens and to rebuild on  
8           human needs by dispensing charity and by  
9           providing for the mutual assistance of  
10          its members in times of distress; and

11                      Whereas, the Moorish Science  
12          Temple of America is a Divine and  
13          National Movement dedicated to the  
14          purpose of elevating the moral, social,  
15          and economic status of its community  
16          through the implementation of the  
17          specific grand principles of Love, Truth,  
18          Peace, Freedom, and Justice; and

19                      Whereas, the Moorish Science  
20          Temple of America, Temple No. 11 has  
21          existed within the Commonwealth of  
22          Pennsylvania and the City of Philadelphia  
23          since August 3rd, 1928 and has been  
24          faithfully serving and meeting the needs  
25          of this community for over seven decades;

1           10/9/14 - STATED - PRESENTATIONS

2           now, therefore, be it

3                     Resolved, by the Council of the  
4           City of Philadelphia, that we hereby  
5           honor and recognize the Moorish Science  
6           Temple of America on its 100th  
7           Anniversary.

8                     Further resolved, that an  
9           engrossed copy of this resolution be  
10          presented to the representatives here  
11          this morning of the Moorish Science  
12          Temple of America as evidence of the  
13          sincere sentiments of this legislative  
14          body.

15                    Introduced by Councilwoman  
16          Marian Tasco and supported by all members  
17          of the Philadelphia City Council.

18                    Congratulations.

19                    (Applause.)

20                    COUNCIL PRESIDENT CLARKE: The  
21          Chair recognizes Mr. Hopkins-Bey for  
22          remarks.

23                    MR. HOPKINS-BEY: I greet you  
24          in the ancient Moorish Islamic greeting  
25          Islam.

1                   10/9/14 - STATED - PRESENTATIONS

2                   (Islam.)

3                   MR. HOPKINS-BEY: Islam simply  
4 means peace.

5                   I begin in the name of Almighty  
6 God who we refer to as Allah. I give  
7 honors to his holy divine prophet,  
8 Prophet Noble Drew Ali. (Unintelligible)  
9 to each and every one of you.

10                  Good morning, esteemed Council  
11 President Clarke.

12                  COUNCIL PRESIDENT CLARKE: Good  
13 morning.

14                  MINISTER HOPKINS-BEY:  
15 Councilmembers, friends, family, and all  
16 those in attendance. I am sincerely  
17 honored to be in your presence and  
18 honored to accept this special  
19 recognition on behalf of the membership  
20 of the Moorish Science Temple of America.

21                  I would like to begin by  
22 thanking Council President Clarke,  
23 Councilwoman Reynolds Brown, Councilwoman  
24 Tasco, Councilwoman Quinones-Sanchez, and  
25 the entire Council body, as well as the

1           10/9/14 - STATED - PRESENTATIONS

2           staff who helped make this day possible.

3           I am Brother Azeem Hopkins-Bey. I serve  
4           as Grand Sheik of Moorish Science Temple  
5           No. 11 here in the City of Philadelphia.

6                     In connection with the aims,  
7           objects, rules, and regulation of the  
8           Moorish Science Temple of America, I deem  
9           it proper to submit to you a brief  
10          statement of our organization, covering  
11          its inception, rise, and progress of the  
12          Mohammedan religion.

13                    The Moorish Science Temple of  
14          America was founded in 1913 by Prophet  
15          Noble Drew Ali. In 1926, we were  
16          incorporated as a civic organization  
17          under the name Moorish Temple of Science.  
18          By July 1928, the organization was  
19          redesignated as a religious corporation  
20          under the name Moorish Science Temple of  
21          America due to the magnitude of its  
22          religious activity.

23                    Today, as a national  
24          organization, we host thousands of  
25          members, with hundreds of them being

1           10/9/14 - STATED - PRESENTATIONS  
2           lifelong residents in this great city.  
3           Our purpose is to help in the great  
4           program of uplifting fallen humanity and  
5           to teach those things necessary to make  
6           our members become better citizens by  
7           teaching them their nationality and their  
8           divine creed.

9                       In addition to offering  
10          spiritual guidance, it is our mission to  
11          empower our brothers and sisters with the  
12          tools needed to build thriving families  
13          and to make positive contributions to our  
14          communities. We are invested in freeing  
15          ourselves and our children from the  
16          greatest plight of economic slavery.

17                      To this desirable end, we  
18          educate and encourage all to be  
19          financially literate, seek homeownership,  
20          and maintain gainful employment.  
21          Furthermore, we have also made it our  
22          mission to dispense charity and provide  
23          for the mutual assistance of our members  
24          as well as non-members regardless of  
25          their religious affiliation in times of

1           10/9/14 - STATED - PRESENTATIONS

2           distress, to aid in the improvement of  
3           health, and to encourage stability. Our  
4           work far exceed the walls of our temple,  
5           which is located in North Philadelphia  
6           near 5th and Dauphin.

7                       We have implemented more than a  
8           dozen programs to ensure that we are  
9           effectively and efficiently executing our  
10          organization's mission to be socially and  
11          politically engaged. Among those, our  
12          Healthy Meals Program where we provide  
13          nutritious meals to the community;  
14          missionary services where we engage local  
15          youth and encourage their participation  
16          in social change, education, and positive  
17          family development; regional support  
18          where we connect with our fellow Muslim  
19          brothers and sisters in our collective  
20          mission for religious freedom and  
21          education; and reformed guidance where we  
22          host monthly religious personal  
23          enrichment classes at the Arrowwood  
24          Federal Correctional Institution.

25                      Aside from the fact that the

1           10/9/14 - STATED - PRESENTATIONS

2           Moorish Science Temple of America is a  
3           legally organized religious corporation,  
4           we are purposed to address human needs.  
5           We, the people of the Moorish Science  
6           Temple of America, like countless other  
7           citizens, know that we must live together  
8           here in America and abroad in harmony,  
9           friendship, and goodwill.

10                       Last year we celebrated our  
11           100th Anniversary, reaffirming our  
12           commitment to our culture and religion,  
13           which engulfs fundamental principles  
14           designed to strengthen civilization and  
15           posterity, which includes obedience to  
16           law, respect, loyalty to government,  
17           tolerance, and unity.

18                       We are friends and servants of  
19           humanity. We are dedicated to the  
20           purpose of elevating the moral, social,  
21           and economic status of our people. We  
22           have set about to do this through a wide  
23           and comprehensive program embodying the  
24           principles of love, truth, peace,  
25           freedom, and justice.

1           10/9/14 - STATED - PRESENTATIONS

2                   Next Tuesday, October the 14th  
3       at 1 o'clock in our annual tradition, we  
4       host the historical trek beginning at the  
5       Independence Visitors Center at 6th and  
6       Market. More than 200 of our members  
7       will gather to trace our national roots,  
8       and afterwards enjoy a feast at the  
9       African American Museum of History. We  
10      invite you all to participate in this  
11      event.

12                   Again, on behalf of the  
13      membership of the Moorish Science Temple  
14      of America, I thank you, Councilwoman  
15      Reynolds Brown, Councilwoman Tasco, and  
16      you all for this special recognition and  
17      joining the celebration of our history.  
18      We hope to see you Tuesday in the City of  
19      Brotherly Love. I bid you peace.

20                   (Applause.)

21                   COUNCIL PRESIDENT CLARKE:

22      Council will be at ease.

23                   (Council at ease.)

24                   COUNCIL PRESIDENT CLARKE:

25      Thank you very much.

1                   10/9/14 - STATED - PRESENTATIONS

2                   At this time, the Chair  
3                   recognizes Councilmember Neilson, who  
4                   will present a resolution honoring Mike  
5                   Iaconelli. Would Mr. Iaconelli and those  
6                   accompanying him please join the  
7                   Councilman at the podium.

8                   And joining Councilman Neilson,  
9                   we have Councilman Kenney and Councilman  
10                  Squilla and Councilman Henon.

11                  COUNCILMAN NEILSON: Good  
12                  morning, everybody.

13                  Wow. Everybody sleeping out  
14                  there? Good morning, everybody.

15                  (Good morning.)

16                  COUNCILMAN NEILSON: You think  
17                  I'm excited, wait till we introduce Mike  
18                  Iaconelli. It gives me great pleasure  
19                  today to present this award or present  
20                  this citation to Mike Iaconelli. We'll  
21                  read that in a little bit, but I wanted  
22                  to touch on a few things.

23                  Philadelphia is full of  
24                  champions. I know we have our Phillies,  
25                  our Eagles, and our Flyers started last

1           10/9/14 - STATED - PRESENTATIONS

2           night, and we put a lot of pride in it.

3           Just touch on NFL. The NFL football is a

4           \$10 billion business. \$10 billion

5           business. Bass fishing is 17 billion.

6           It's huge. We have great resources right

7           here in our backyard with the Delaware

8           River that I happen to take full

9           advantage of. I have a little bass

10          tracker boat in my driveway and I take my

11          boys out, and we have a great time.

12          Although I don't think I'll be a bass

13          champion like Mike Iaconelli, because

14          like most, I bring out the chicken liver

15          later on and go for the catfish. I do

16          much better at catfish.

17                       But we have a great resource,

18          and I encourage you all to take great

19          advantage of it. Councilman Henon and I,

20          we do a lot of scouting, as many of you

21          know, and we try and teach our scouts how

22          to fish. It's been 30 years. His mother

23          has been schooling Bobby and I, Bobby's

24          mom and I. Bobby's mother is a great

25          fisher woman, great fisher woman,

1           10/9/14 - STATED - PRESENTATIONS

2           something you didn't know. The  
3           Councilman's mother has been teaching us  
4           and schooling us for quite some time.  
5           She always gets the big ones. We always  
6           get the minnows. I don't understand, but  
7           I think it's in the bait.

8                     But bass fishing is huge across  
9           the country, and we have great resources.  
10          And we had a bass tournament in August,  
11          and there was one person responsible to  
12          try and lure the Bassmasters Elite  
13          Series. Lure, get it? Lure. And use  
14          his best Rapala to get it, and he hooked  
15          them. But what I'd like to, before I  
16          introduce Mike and we read the citation,  
17          I'd like to bring up Todd Pride from the  
18          Mid-Atlantic Youth Anglers, who is  
19          sharing this experience with kids all  
20          around the region. I'd like him to say a  
21          couple words prior to us reading the  
22          resolution.

23                     (Applause.)

24                     MR. PRIDE: Thanks, Councilman.

25                     Just to say a couple of quick

1           10/9/14 - STATED - PRESENTATIONS

2           comments. As the host city coordinator  
3           of this first-ever historic Bassmaster  
4           Elite Tournament, people thought we were  
5           crazy a couple years ago to try to bring  
6           one of these major tournaments here, but  
7           it came, and as the Councilman mentioned,  
8           bass fishing is a pretty big industry.  
9           Our Mid-Atlantic Youth Anglers has  
10          introduced several thousand kids to  
11          fishing, but we undertook the effort a  
12          couple years ago with some supporters to  
13          try to bring one of these events here.

14                 You're going to hear about a  
15          number of the partners in the resolution,  
16          but one of our early supporters of this  
17          was the veterans community. I want to  
18          ask George Ginder, the head of the  
19          Veterans Advisory Commission, to come up,  
20          who is also a Purple Heart recipient,  
21          with a trophy here; that you're going to  
22          hear from the winner of this in a few  
23          minutes. But as I said, you're going to  
24          hear about the partners in the  
25          resolution.

1                   10/9/14 - STATED - PRESENTATIONS

2                   A big thanks to Councilman  
3                   Kenney, who early on stepped out when  
4                   nobody really thought this was possible,  
5                   Councilman Squilla, and then Councilman  
6                   Henon, who really got behind our efforts  
7                   with this. And Philadelphia Sports and  
8                   Education Expo early on also was a part  
9                   of our energy.

10                  So here's this trophy here. I  
11                  think we have another trophy that was  
12                  presented by the City of Philadelphia  
13                  through the Philadelphia Sports Congress,  
14                  which is a Rocky trophy, but I'm going to  
15                  hand this over to Councilman Henon. Here  
16                  is this trophy here that was presented to  
17                  Mike. This was from the City of  
18                  Philadelphia and the Philadelphia Sports  
19                  Congress, one of the major partners here.

20                  But a big thanks to the City of  
21                  Philadelphia for really hosting this.  
22                  But as you'll hear, I mean, Philadelphia  
23                  now sits atop of the entire bass fishing  
24                  industry, having broken the national  
25                  attendance records for these events, and

1           10/9/14 - STATED - PRESENTATIONS

2           now we can move forward being at the top  
3           of the country with all these crazy  
4           tournaments you see Saturday and Sunday  
5           mornings on ESPN and other channels.

6                       So thank you.

7                       (Applause.)

8                       COUNCILMAN NEILSON:   Okay.   Now  
9           I'd like to bring Mike and his wonderful  
10          wife, Becky, up here as we try and  
11          present this resolution.

12                      Recognizing and honoring Mike  
13          "Ike" Iaconelli for winning the  
14          Bassmaster Elite Series Tournament on the

14                       Whereas, Philadelphia is

15          extremely hopeful that this great event

16          will come back to Philadelphia and become

17          a regular summertime staple. Bassmaster

18          President, Jerry McKinnis, called the

19          Philadelphia event "the greatest fishing

20          event I have ever attended";

21                       COUNCILMAN SQUILLA: Whereas,

22          the event culminated on August 10th, 2014

23          when Mike Iaconelli, a south Philly

24          native -- South Philly native -- won the

9                       Whereas, the Bassmaster Elite  
10          Series event on the Delaware River was  
11          Mike Iaconelli's 8th career victory, and  
12          Mike is the only angler in the  
13          competition history to achieve three  
14          major titles: the B.A.S.S. National  
15          Championship in '99, the Bassmaster  
16          Classic in '03 and the Toyota Tundra  
17          Angler of the Year 2006; and

18                      COUNCILMAN HENON: Whereas,  
19          Mike first discovered fishing at his  
20          grandfather's house in the Poconos. He  
21          fished the Schuylkill River and the  
22          Pennypack Creek in high school and joined  
23          the pro-amateur circuit in 1992, becoming  
24          a full pro angler in 2000. Iaconelli,  
25          called Ike by his fans, now fishes up to

9                       COUNCILMAN NEILSON:   And

10          whereas, Mike now resides in

11          Pittsburgh -- Pittsgrove, New Jersey with

12          his wife Becky and four children; now,

13          therefore, be it

14                       Resolved, by the Council of the

15          City of Philadelphia, that Council is

16          pleased to recognize and congratulate

17          Mike Iaconelli for winning the 2014

18          Bassmaster Elite Series Tournament on the

19          Delaware River.

20                       (Applause.)

21                       COUNCIL PRESIDENT CLARKE:   The

22          Chair recognizes Mr. Iaconelli for

23          remarks.

24                       Mr. Iaconelli, remarks please,

25          sir.

1                   10/9/14 - STATED - PRESENTATIONS

2                   MR. IACONELLI: Thank you very  
3 much. First of all, I want to thank  
4 Council President Clarke. Thank you.

5                   COUNCIL PRESIDENT CLARKE:  
6 You're welcome.

7                   MR. IACONELLI: And special  
8 thanks to Councilman Neilson. Thank you.  
9 And all the Councilmen behind me.

10                  This is an amazing thing. I  
11 really feel like Philadelphia was an  
12 important part of not only my career but  
13 of my life. You know, I started fishing  
14 when I was a kid in the Poconos and here  
15 at the Schuylkill and Pennypack Creek,  
16 and my uncle and my grandfather were real  
17 instrumental in getting me started.

18                  When I first heard they were  
19 bringing a tournament here to the  
20 Delaware River, I thought they were  
21 kidding. I thought they were joking. I  
22 never in a million years imagined a major  
23 event would come to the city where I was  
24 born and a city that had so much impact  
25 on my life.

1                   10/9/14 - STATED - PRESENTATIONS

2                   And I also want to thank Todd  
3                   Pride. Thank you very much for helping  
4                   that become a reality.

5                   I'm super proud to be a native  
6                   of South Philadelphia, to be born in  
7                   Philadelphia, and I'm super proud to help  
8                   showcase the Delaware River and the  
9                   Delaware fishery and, more importantly,  
10                  the City of Philadelphia to the world and  
11                  let them know that we have an amazing  
12                  resource in the river.

13                  Thank you very much. You can  
14                  live out your dreams. And I appreciate  
15                  the opportunity to speak today.

16                  Thank you.

17                  (Applause.)

18                  COUNCILMAN NEILSON: May I?

19                  COUNCIL PRESIDENT CLARKE:

20                  Absolutely.

21                  COUNCILMAN NEILSON: One thing  
22                  that I want to really mention that's real  
23                  important, because I thought we were  
24                  going to touch on it a little bit.  
25                  Mike's different. You can tell when Mike

1           10/9/14 - STATED - PRESENTATIONS

2           is out on the circuit that he's a  
3           Philadelphia person. He's the only  
4           professional angler across the country  
5           that will not leave an event until he  
6           signs every single kid's autograph. You  
7           hear me? Every single kid. He does not  
8           leave one person standing at the dock  
9           without signing their autographs. No one  
10          does that. We have a lot of professional  
11          players around here. They won't even  
12          sign when they come up here. But he is  
13          very unique and he represents  
14          Philadelphia and proudly, and I tell you,  
15          real big applause. I tell you, it's all  
16          about you, Mike.

17                                (Applause.)

18                   MR. IACONELLI: Thank you. One  
19           last thing. I noticed in Councilman  
20           Neilson's office he had Philadelphia  
21           Flyers and Eagles and Sixers jerseys  
22           hanging up. Here's a bass fishing jersey  
23           he can add to the collection.

24                                (Applause.)

25                   COUNCIL PRESIDENT CLARKE:

1           10/9/14 - STATED - COMMUNICATIONS

2           Thank you.

3                   Council will be at ease.

4                   (Council at ease.)

5                   COUNCIL PRESIDENT CLARKE:

6           Thank you very much. That concludes our  
7           presentations for today.

8                   The next order of business is

10          the Sergeants-of-Arms delivers the

5                     A resolution appointing  
6           Michelle Lai to the Board of Directors of  
7           the Philadelphia Municipal Authority, all  
8           under certain terms and conditions.

9                     COUNCIL PRESIDENT CLARKE: Is  
10          that it, Mr. Decker? Do you have any  
11          additional communications?

12                    CHIEF CLERK: I have none,  
13          Mr. President.

14                    COUNCIL PRESIDENT CLARKE:  
15          Thank you very much. Those messages will  
16          be printed in the Journal.

11          an additional 'Special Tax Credit  
12          Opportunity for Job Creation' in the form  
13          of a multi-year tax credit for certain  
14          new jobs created in 2015," respectfully  
15          reports it has considered the same and  
16          returns the attached bills to Council  
17          with a favorable recommendation.

18                   COUNCIL PRESIDENT CLARKE:

19          Thank you, Mr. Decker.

22                   COUNCILMAN GOODE: Thank you,  
23          Mr. President. I move the rules of

3                   (Duly seconded.)

4                   COUNCIL PRESIDENT CLARKE:

5                   Thank you. It has been moved and

7                   Council be suspended this day so as to  
8                   permit first reading of Bills No. 140640  
9                   and 140641.

10                  All those in favor say aye.

11                  (Aye.)

12                  COUNCIL PRESIDENT CLARKE:

13                  Those opposed?

14                  (No response.)

15                  COUNCIL PRESIDENT CLARKE: The  
16                  ayes have it, and those bills will be  
17                  placed on our First Reading Calendar  
18                  today.

19                  That concludes our reports from  
20                  committee, and the next order of business  
21                  is the consideration of the Calendar. I  
22                  note that the bills just reported from  
23                  committee with suspension of the rules  
24                  have been deemed to have had a first  
25                  reading. These bills will be placed on

1           10/9/14 - STATED - BILLS ON 2ND READING  
2           our Second Reading and Final Passage  
3           Calendar at our next session of Council.

4                       As there are no additional  
5           bills on the First Reading Calendar, the  
6           Chair recognizes Councilman Jones for the  
7           purpose of calling up bills and  
8           resolutions on the Final Passage  
9           Calendar.

10                      COUNCILMAN JONES: Thank you,  
11           Mr. President. The following resolutions  
12           and bills are being called up from Second  
13           Reading and Final Passage Calendars  
14           today: No. 120232, 140756, 140763,  
15           140768, 130693-A, 140514-A, and 140715.  
16           All other resolutions and bills are being  
17           held.

18                      COUNCIL PRESIDENT CLARKE:  
19           Thank you very much, Councilman.

20                      Before considering these bills  
21           and resolutions, we will have our public  
22           comment session. The public comment  
23           session will go as follows:

24                      If you are interested in  
25           testifying on a bill or resolution that

1           10/9/14 - STATED - PUBLIC COMMENT

2           is on the Final Passage Calendar today,  
3           I'd ask that you sign up at the table to  
4           my left, if you have not already done so.

5                       When your name is called, you  
6           will go to the middle of the Council  
7           where there is a podium and a microphone.  
8           The device on that podium has a light.  
9           When that light turns green, it is your  
10          time to speak. When the light turns  
11          yellow, you will have 30 seconds to  
12          conclude your remarks, and when the light  
13          turns red, we will ask you to conclude  
14          your remarks. You will be given three  
15          minutes to testify on bills and  
16          resolutions on the Final Passage  
17          Calendar.

18                      Mr. Decker, please call the  
19          first name.

20                      CHIEF CLERK: Trina Smith.

21                      MS. SMITH: Trine Smith.

22                      (Witness approached podium.)

23                      COUNCIL PRESIDENT CLARKE:

24          Prior to that witness testifying, the  
25          Chair recognizes Councilman Squilla.

1 10/9/14 - STATED - PUBLIC COMMENT

2 COUNCILMAN SQUILLA: Thank you,  
3 Mr. President. I'd like to be excused  
4 for the rest of the session. Is it  
5 possible being recorded as voting aye on  
6 all bills and resolutions?

7 COUNCIL PRESIDENT CLARKE: It  
8 shall be noted, Councilman.

9 COUNCILMAN SQUILLA: Thank you  
10 very much.

11 COUNCIL PRESIDENT CLARKE: Good  
12 morning.

13 MS. SMITH: Good morning. The  
14 light hasn't come on yet, sir.

15 Good afternoon, President  
16 Clarke, City Council members, public  
17 citizens. My name is Trine Smith. I'm a  
18 native resident of Philadelphia. My  
19 household participates in the Housing  
20 Choice Voucher Program under the auspices  
21 of PHA, which Kelvin Jeremiah is CEO. On  
22 behalf of my household, I uphold  
23 Councilwoman Blackwell's Resolution  
24 120232 regarding City Council having  
25 local oversight of the quasi-governmental

1           10/9/14 - STATED - PUBLIC COMMENT

2           housing agency PHA. In essence, I  
3           advocate, represent, and stay apprised on  
4           behalf of an underserved and marginalized  
5           demographic which is underserved, which  
6           is widespread across America, that being  
7           single African American households of low  
8           income which receive housing subsidies.  
9           Thus, I state emphatically that the  
10          testimony which PHA CEO Kelvin Jeremiah  
11          presented before both the Committee and  
12          Subcommittee of Oversight and Government  
13          Reform on May 22nd, 2014 is disingenuous.

14                 My family continues to  
15          experience an extended and acute  
16          grievance with the housing agency and  
17          their various departments, including both  
18          the executive office and their internal  
19          investigation department, the Office of  
20          Audit and Compliance.

21                 Self-designated poster family  
22          for Councilwoman Blackwell's resolution,  
23          I not only have firsthand account, I am  
24          firsthand account, as my family has  
25          experienced and endured PHA's vast

1           10/9/14 - STATED - PUBLIC COMMENT

2           affronts, gross misconduct in oversight,  
3           and mismanagement. Councilwoman  
4           Blackwell so desires the blessing of your  
5           endorsement as poster family for your  
6           said resolution and such adds strength to  
7           my strength. As well I desire to garnish  
8           the support of Councilmembers and their  
9           attendance for the hearings for the said  
10          resolution as selected the City  
11          responsibility to both public and moral  
12          health is a fierce, urgent concern.

13                 PHA has made great changes,  
14          which are commendable. However, there is  
15          much room for improvement. I can attest  
16          that PHA is still synonymous with deceit,  
17          malevolency, unprofessionalism,  
18          mismanagement, and unlawful misconduct,  
19          which PHA and other agencies alike have  
20          been established and founded are those  
21          which implement rules, regulations,  
22          policy, and procedures which are to be  
23          maintained, along with initiatives that  
24          make our city and living and health  
25          conditions better.

1           10/9/14 - STATED - PUBLIC COMMENT

2           Although my attempt was futile,  
3           representing my family pro se attorney, I  
4           opted to challenge the housing agency's  
5           gross misconduct. PHA, operating in  
6           deceit, exploited the indices of my  
7           unsuspecting household. Representing my  
8           family pro se with regard to PHA was a  
9           long shot, but I had to take the stance  
10          because all -- and I mean all -- the  
11          myriad avenues which I sought  
12          intervention and aid turned up  
13          inefficient. It was after the December  
14          11th, 2013 hearing with PHA attorney  
15          Roger Ciafre who stated that there was  
16          nothing the court could do because they  
17          had sovereign immunity that I was  
18          compelled to search out a lawyer  
19          regarding the fraudulent investigation  
20          for it which PHA police officer John Cook  
21          submitted, the same with Detective Paul  
22          Brown, my biological blood over on my  
23          mother's side, actually signed off on.

24                 Deficient of legal dealings and  
25          distracted by the recent double shooting

1           10/9/14 - STATED - PUBLIC COMMENT  
2           of my two loved ones this past June  
3           undoubtedly made it difficult to maintain  
4           focus on my court case. The rally, the  
5           hospital visits sideswiped my entire  
6           family. Councilman Curtis Jones attended  
7           one of the rallies.

8                   PHA continues to circumvent  
9           established rules and discount their  
10          policy and procedures, thus  
11          maintaining -- I simply seek your prayers  
12          and I really seek to garnish the support  
13          of City Council regarding oversight,  
14          local oversight, of PHA.

15                   Thank you.

16                   COUNCIL PRESIDENT CLARKE:  
17          Thank you very much for your testimony,  
18          ma'am.

19                   CHIEF CLERK: Clarc King,  
20          commenting on 140514-A.

21                   (Witness approached podium.)

22                   COUNCIL PRESIDENT CLARKE: Good  
23          morning.

24                   MR. KING: Good morning,  
25          Mr. President. Thank you. Thank you,

1           10/9/14 - STATED - PUBLIC COMMENT

2           Councilmembers, for your time. I'm here  
3           to comment on Resolution 140514-A. I'd  
4           like to start by saying that the Prime  
5           Minister of India had a speech in New  
6           York and he said that children, every  
7           child, is a precious gift from God. Now,  
8           I'd like to say that every teacher is  
9           vital to the nation and crucial to the  
10          formation and the survival of each and  
11          every child.

12                       I have to go along with the  
13          resolution to abolish the School Reform  
14          Commission. I believe they have lost  
15          their way.

16                       A new economy is going to  
17          erupt, and the pressure on education and  
18          on the children being educated is going  
19          to be tremendous. Undermining the  
20          education system undermines  
21          Philadelphia's economy and undermines the  
22          national security.

23                       We must understand the Federal  
24          Reserve's monetary financial system. The  
25          Philadelphia education system's crisis is

1           10/9/14 - STATED - PUBLIC COMMENT

2           a result of the private-sector finance, a  
3           system dependent on the Fed's unlimited  
4           bailouts.

5                       The reach of the monetary  
6           financial system demands the sale of PGW.  
7           It demands more charter schools. It  
8           demands the selloff of public assets and  
9           property. We must understand that  
10          economic warfare exists and it shouldn't  
11          form all political activity. The  
12          stabilization of the United States is the  
13          only imperative. Political leadership  
14          must work on the Congress. The Fed must  
15          be put into reorganization into the  
16          United States national bank credit  
17          system. Fund the 50 states. Activate  
18          the full employment policy. Then fund  
19          the redevelopment of North America as the  
20          economy platform that will reverse the  
21          greatest depression upon us as the  
22          national security demands, as the  
23          survival of the population depends upon.

24                       Thank you.

25                       COUNCIL PRESIDENT CLARKE:

1                   10/9/14 - STATED - 2ND READING

2                   Thank you very much for your testimony.

3                   CHIEF CLERK: There are no  
4                   other speakers on the public comment

21 resolution.

22                  COUNCIL PRESIDENT CLARKE: Yes,  
23 sir.

24                  COUNCILMAN JONES: As we look  
25 at the world news, many of my

1           10/9/14 - STATED - 2ND READING

2           constituents, many people that I meet  
3           throughout the City say that the  
4           infectious outbreak of Ebola is somewhere  
5           else, is someone else's problem, but  
6           brave people like Councilwoman Blackwell  
7           have taken it upon herself to meet about  
8           this issue in a way to be thoughtful to  
9           the human casualty of many, many, many  
10          souls that have been taken by this  
11          disease. The "somewhere else" theory and  
12          feeling also is being dispelled because  
13          what we're finding is whether it's  
14          healthcare workers or people who have  
15          traveled, it is beginning to come home.

16                 This resolution speaks not to  
17          those fears, but to crush them with  
18          knowledge. So what are we doing in  
19          hospitals to prepare ourself for the  
20          possibility of these kinds of outbreaks?  
21          What are we doing at our airports? What  
22          are we doing at our schools? What are we  
23          doing when it comes to E-86, which is a  
24          similar virus that has been contracted,  
25          particularly devastating to young people?

1                   10/9/14 - STATED - 2ND READING

2                   Many Americans don't feel we  
3                   are prepared, even though we've been  
4                   assured by Washington that we are. What  
5                   this Council will do is take a hard look  
6                   at it, ask the questions. And it's not a  
7                   sin not to be prepared. It is a sin to  
8                   act like you are and move around like we  
9                   haven't a care in the world.

10                  So I applaud my colleagues for  
11                  stepping up to the plate and taking on  
12                  issues that might not seem like they  
13                  belong here or should be somewhere else,  
14                  but making sure that if they do come  
15                  here, we are prepared.

16                  Thank you, Mr. President.

17                  COUNCIL PRESIDENT CLARKE:

18                  Thank you. Councilman, make your motion.

4                   CHIEF CLERK: There are no  
5                   other resolutions on the Final Passage  
6                   Calendar, Mr. President.

7                   COUNCIL PRESIDENT CLARKE:  
8                   Thank you very much, Mr. Decker.

9                   And that concludes our Calendar  
10                  for today.

11                  Are there any speeches on the  
12                  part of the minority?

13                  The Chair recognizes Councilman  
14                  Oh.

15                  COUNCILMAN OH: Thank you,  
16                  Council President. I just would note  
17                  that I have left a flyer of music  
18                  categories and dates of performances on  
19                  Councilmembers' desks. Please look at  
20                  it. There's a lot of exciting events,  
21                  all from Philadelphians here, very  
22                  creative. Please come out and support  
23                  and have a great time.

24                  Thank you very much.

25                  COUNCIL PRESIDENT CLARKE:

1                   10/9/14 - STATED - SPEECHES

2           Thank you, Councilman.

3                   The Chair recognizes Councilman  
4           Henon.

5                   COUNCILMAN HENON:   Thank you,  
6           Mr. President.   I want to address my  
7           colleagues here today and speak about  
8           something that we're a little familiar  
9           with, letters from our constituents.   I  
10          received a letter in particular recently  
11          that I wanted to share with you all, and  
12          as you will see all on your desk, each of  
13          you have received a similar  
14          correspondence.

15                   It says, Dear Councilman Henon,  
16          my name is Billy.   I'm a very young,  
17          male, puppy-age Terrier Russell mix and  
18          I'm less than a year old and have already  
19          mastered cuddling, house training, and  
20          some other commands.   I'm social.   I'm  
21          affectionate, and I love to play.   Toys?  
22          I'll chase them.   Tag?   I'll chase you.  
23          I'm eager to learn how to please.

24                   Come get me out of the shelter.  
25          Let's not waste any time.   I'm ready to

1                   10/9/14 - STATED - SPEECHES

2           take on my playful self to your  
3           household.

4                   So far, we have just one photo  
5           here, but I'm such a handsome dude, you  
6           can tell already.

7                   Love, Billy.

8                   So as you know, there's many  
9           letters and many dogs like Billy, many  
10          animals that have sent correspondence  
11          that are less important messages that we  
12          get from constituents, but Billy is  
13          looking for a forever home, and as a part  
14          of National Adoption Shelter Dog Month, I  
15          wanted to let everyone know about the  
16          upcoming event with the Animal Care and  
17          Control Team called Duck Dash that will  
18          go a long way in helping Billy and so  
19          many other dogs find forever homes.

20                   Duck Dash raises funds for  
21          ACCT's life-saving programs. October  
22          18th in Love Park will be invaded by  
23          around 5,000 individual number rubber  
24          ducks. At the end of their swim, one  
25          lucky duck will be pulled from a flock

1                   10/9/14 - STATED - SPEECHES

2                   and declared a winner, along with its  
3                   owner. Duck owners will be able to win  
4                   prizes like a thousand dollars in cash  
5                   and iPads. However, the true value in  
6                   participating in this event is, which  
7                   takes more than -- ACCT, which takes more  
8                   than 3,000 pets through their doors in a  
9                   single year.

10                   So my ask is simple. I'm going  
11                   to challenge my colleagues to adopt a  
12                   duck for \$5 or \$20 for five ducks, enter  
13                   into the race. This is Council's chance  
14                   to stack the duck -- I mean deck -- and  
15                   help the worthy cause. Of course, one  
16                   duck wins, and if we win, we're going to  
17                   have to donate it back. You can support  
18                   ACCT and the Duck Dash in other ways too.  
19                   There's a lot of ways that we could  
20                   support it.

21                   So for further information,  
22                   you're welcome to check out the cards on  
23                   your desk or visit [ACCTPhilly.org](http://ACCTPhilly.org), and I  
24                   appreciate everybody's time. A little  
25                   something outside the box, a little

1 10/9/14 - STATED - SPEECHES

2 something different, a little something  
3 fun, a little something playful, but it's  
4 a little unique, it catches everybody's  
5 attention, and it could go a long way in  
6 helping some of the animals that we have  
7 here that we service in one of our  
8 programs.

9 So thank you for your time.

10 COUNCIL PRESIDENT CLARKE:

11 Thank you, Councilman.

12 The Chair recognizes Councilman  
13 Neilson.

14 COUNCILMAN NEILSON: Well, I  
15 guess we'll go from ducks to fish here,  
16 Council President.

17 On everybody's desk, there's a  
18 box of Mike and Ike's. Of course, we  
19 honored Mike Iaconelli today, and I  
20 wanted to -- the words he puts under his  
21 name and something he's taking across the  
22 country resonates with every child  
23 throughout the Commonwealth and  
24 throughout the country is "never give  
25 up."

1                   10/9/14 - STATED - SPEECHES

2                   I'd encourage you to go read  
3                   Mike's full biography and the story,  
4                   because everything he's accomplished they  
5                   told him he couldn't do. And it's a  
6                   couple words I forgot to say and I meant  
7                   to say on there, and I just wanted to  
8                   make sure they were on the record.

9                   And I'd also like to commend  
10                  Councilman Kenney on his resolution on  
11                  bullying. I've introduced two bills in  
12                  my previous life, I call it, now that I'm  
13                  an experienced Councilmember, up in the  
14                  House, and the state has to take action.  
15                  And I would call on all the Senate and  
16                  the House members in the Commonwealth to  
17                  take action, because bullying really  
18                  hurts children, and that's what we're  
19                  here to do, protect those who don't have  
20                  a voice, and it's an important part for  
21                  all of us.

22                  So I want to commend the  
23                  Councilman on doing the right thing today  
24                  and bringing that to all of our  
25                  attention.

1                   10/9/14 - STATED - ADJOURNMENT

2                   Thank you, Mr. President.

3                   COUNCIL PRESIDENT CLARKE:

4                   Thank you, Councilman.

5                   The Chair recognizes

6                   Councilwoman Blackwell.

7                   COUNCILWOMAN BLACKWELL: Thank  
8                   you, Mr. President. I just note all of  
9                   us know Izzy Wright and what he does to  
10                  save schools. We want to acknowledge his  
11                  presence here today, and Butch Slaughter,  
12                  who is with him. We thank them for being  
13                  here.

14                  (Applause.)

15                  COUNCIL PRESIDENT CLARKE:

16                  Thank you, Councilwoman.

17                  There are no other speeches on  
18                  the part of the minority and majority, so  
19                  the Chair recognizes Councilwoman  
20                  Reynolds Brown for a motion to adjourn.

21                  COUNCILWOMAN BROWN: Thank you,  
22                  Mr. President. I move that Council stand  
23                  adjourned until Thursday, October 16th,  
24                  2014 at 10:00 a.m.

25                  (Duly seconded.)

1                   10/9/14 - STATED - ADJOURNMENT

2                   COUNCIL PRESIDENT CLARKE:

3           Folks, we are not done yet. Please keep  
4           it down. We'll be done in a second.

5                   Is there a second to the  
6           motion?

7                   (Duly seconded.)

8                   COUNCIL PRESIDENT CLARKE:

9           Thank you. All in favor?

10                   (Aye.)

11                   COUNCIL PRESIDENT CLARKE:

12           Those opposed?

13                   (No response.)

14                   COUNCIL PRESIDENT CLARKE: The  
15           ayes have it. Moved and seconded that  
16           Council stand adjourned until Thursday,  
17           October 16th.

18                   Thank you very much.
